

Maximize Your Revenue Potential!

WizeBuys helps you add revenue to the bottom line. We deliver high quality programming from leading direct response advertisers as well as exclusive and original WizeBuys programming.

Content That Pays!

If you have blocks of airtime that are underutilized, we want to talk with you about our simple, revenue generating solution. We want to transform your weakest time blocks into strong performers with a guaranteed, fixed rate per subscriber.

Let our team evaluate your full or part time analog or digital channels, leased access and local origination channels, and they will show you how to maximize your revenue. Please contact our affiliate relations professional today.

Increase Revenue Now!

WizeBuys delivers a high quality content feed through our powerful digital distribution network. This service eliminates the need for expensive tape management. We also provide the necessary equipment to allow you to receive your daily feed. Explore the revenue potential offered by WizeBuys today.
